Team Krutanic

Selection Update: You've been Selected for the Accenture Approved MNC Skills Enhancement Training and Internship (SETIP) by Krutanic. Complete your application to confirm.

Overview:-

The **Skills Enhancement Training and Internship Program (SETIP)** is designed to bridge the gap between academic knowledge and practical industry skills. Our program offers participants the opportunity to gain hands-on experience, enhance technical and soft skills, and work on real projects that add significant value to their professional development with companies in collaboration **[IBM ,MICROSOFT, DELOITTE, EY, CISCO, COGNIZANT, BARCLAYS, INFOSYS, GENPACT, ORACLE, TCS, PWC, J.P. MORGAN, AMAZON, ACCENTURE, HCL Technologies, Tech Mahindra, ETC]**

{Only last few slot are available as registrations are getting closed soon going to end last 7 days running campaign from your campus}

Objectives:

- 1. Equip participants with the skills and knowledge required in the modern workplace.
- 2. Provide hands-on experience in a professional environment.
- 3. Develop critical thinking, problem-solving, and leadership abilities.
- 4. Build professional networks and improve communication skills.
- 5. Prepare participants for successful careers in their chosen field.
